

COMMUNITY DIRECTOR UPDATE

SEPTEMBER 1, 2024

COMMUNITY NEWS

Deluz is excited to announce the introduction to a variety of food trucks. Make sure you are following our Facebook page and watching your emails for upcoming food truck vendors that will be visiting Deluz Family Housing. Rush Coffee will be on property Mondays 7AM-10AM and Wednesdays 11AM-1PM. Stop by the leasing office and check them out!

COMMUNITY UPDATES

AC Filters - Our filters are rated for 90-day use and will be changed out by our maintenance technician during the home's quarterly maintenance. You will not need to change the filters in between quarterly maintenance appointments. If you believe that your filter needs to be checked or changed before your quarterly maintenance appointment, simply contact the maintenance request line and place a work order and we will send a technician to your home to inspect the filter and change it out if needed.

MAINTENANCE TIPS

The Pressure Washing and Painting project is ongoing across all communities. Additionally, construction is underway to remove the steel plates and repair the roads on Wonsan Drive, Wonju Circle, and Chosin Circle. Traffic signage throughout the community will also be updated to replace any damaged or missing signs.

GOOD NEWS STORIES

"Colleen was very friendly and very professional. She answered any and all questions that myself or my spouse had."

"Kenny is one of the best maintenance guys you have. He's so kind and has such a wonderful personality and I love chatting with him about his life and kids as we have similar situations. He always gets the work done right as well. Great guy all around."
